

Where it all began...

- In 1992 Barbara's dear friend and our school's first and only Wilson instructor **Sharon Parks** passed away. **Barbara Wilson** then came to our school and trained **Rhoda Silverberg**, Melinda Huebner and me to take Sharon's place. **Ed Wilson** actually did our very first observation!
- In 1998 **Dianne Melim** was becoming a Wilson instructor, with **Robin Carlo** as her trainer.
- Dianne and Dr. Ted Davis hired me to work for the Center for Neuropsychology, Learning & Behavioral Medicine, there we both began our Wilson® Upper Steps and Group work under the supervision of **Robin**.
- In 2001, I had the privilege and honor to be the last trainer, **Janet O'Connor**, Barbara's Mom trained.
- June 1st, 2004 **LTR Tutoring Associates** celebrated its opening with **Barbara** and **Ed**
